Cooperative happenings

Youth opportunities available

High school students! Are you ready for a bright year ahead? As a proud member of our community, KEM Electric Cooperative is committed to supporting our local schools and empowering the next generation. As the school year progresses, we want to remind you that Youth Tour applications are open and scholarship applications will be opening soon. Visit kemelectric.com for more information.

Need heating assistance? Apply for LIHEAP.

The Low Income Home Energy Assistance Program can help cover heating and weatherization costs for eligible residents. Check with your local human service office for more information regarding these services. Applications are now being accepted year-round and can be found online at applyforhelp.nd.gov or by request at the local human service zone office.

MEMBERSHIP OPPORTUNITIES

OPERATION ROUND UP

Operation Round Up is a powerful testament to the collective strength of our cooperative and its members. Through this program, we pool voluntary contributions from our generous members, who selflessly choose to round up their electric bills to the next dollar. These small yet meaningful contributions come together to create a significant fund dedicated to charitable giving. **If you know of an individual or organization worthy of consideration to apply for grant money from this charitable fund, visit kemelectric.com.**

RDFC

The Rural Development Finance Corporation (RDFC) is a North Dakota nonprofit finance and development corporation whose member-owners are all the North Dakota Rural Electric Cooperatives, nine of the North Dakota Rural Telecommunication Cooperatives and the North Dakota Association of Rural Electric Cooperatives. **Visit kemelectric.com for more information on the program.**

YOUTH PROGRAMS

SCHOLARSHIPS

We offer scholarships for high school seniors. These funds are designed to support students as they further their education and pursue their career goals.

YOUTH TOUR

One KEM Electric high school sophomore or junior can win an all-expense-paid trip to Washington, D.C., and embark on a journey of a lifetime. Students will need to write an essay for a chance to represent KEM Electric as part of the North Dakota delegation on the Electric Cooperative Youth Tour!

Applications are due Jan. 19, 2027.

IN CLASSROOM VISTS

Our employees have a vast amount of knowledge and are available to provide students with information on how energy services are provided and how to stay safe around electricity.

STUDENT OF THE MONTH

This program aims to recognize outstanding students in grades K-12 and provide a \$200 sponsorship to their school for a project or initiative chosen by the winning student. Nominations are due the 15th of each month. Visit kemelectric.com for more information.
