APRIL 25

North Dakota Career Tour application deadline

JUNE 10

Annual Meeting in Linton at the Linton Civic Center (formally Our Club)

The application deadline for our Career Tour is quickly approaching on April 25!

In case you missed it...

Celebrating National Lineworker Appreciation Day

As we approach National Lineworker Appreciation Day on April 14, we would like to highlight our lineworkers and the crucial work they do at KEM Electric Cooperative. Our crews maintain and repair electrical infrastructure in all weather conditions for our members from Steele to Ashley. Read more about our lineworkers on C1-3 in our local pages.

The North Dakota Career Tour application deadline is approaching

Explore North Dakota's energy sector and learn more about careers that power us. Visit our website for details and to apply, www.kemelectric.com.

Unclaimed capital credits

We are seeking new addresses to mail members their capital credit allocation statements and/or capital credit check from last year. If you know of a current address, please call our office at 701-254-4666 or 800-472-2673. View the full list on our website.

Read these stories and more in this month's issue of North Dakota Living.

TIPS FOR SAFE DIGGING

1

NOTIFY

Call 8-1-1 or make a request online by visiting: www.ndonecall.com. Be sure to make the request three days before you start.

2

WAIT

Wait three days for a response to your request. Affected utilities will send a locator to mark any underground utility lines. Keep in mind utilities are not required to mark any private lines.

3

CONFIRM

Confirm that all affected utilities have responded by comparing the markers to the list of utilities the 8-1-1 call center notified

4

RESPECT

Respect the markers provided by the affected utilities. They are your guide for the duration of your project.

5

DIG CAREFULLY

If you can't avoid digging near the markers (within 18-24 inches on all sides) consider moving your projects.
